

DAY20:The Kids Aren't Alright

IT'S MY LIFE

DAY 29

The Kids Are All Right

Just who could've...?

It's obvious!
It could only be those stupid Dragonites!

My cute Giant Pumpkins. They were almost ready for harvesting too.

Ho-how awful... It's been thrown into a complete mess...

Noah, come with me! We're gonna find those idiots and teach them a lesson!

Eh, ah, okay...

That way of thinking isn't peaceful at all, though...

Looks like in the end, I needed to go all in to bury them into the darkness for endangering my peaceful lifestyle...!!

Those guys... In the end, just burying them alive wasn't enough for them to kick the bucket, huh...?

Absolutely.
Even IF the
ones who ruined
somebody's
house are kids,
they can't be
forgiven.

After I
find them,
suitable
punishment
will be-

But,
these are
bad kids,
aren't
they...?

What
the... So it
wasn't the
Dragonites
then.

I'm
gonna
catch you
rascals
and give
you all a
spanking!!

Are
you the
naughty
boys who
devastated
my kitchen
garden!?

Emo!
Shoe!
Now!

Heheh!!
What a
interesting
disguise,
old man!!

Wha...!
Who
are
you!?

Give
this to
uss!!

$q_1, q_2, q_3, q_4, \dots$

**I've
found
you,
you bad
kids!**

**Damn
you're
annoying!
It's got
nothing to
do with
you!**

**We're
doing it
because
we have
our
reasons!**

**Slash...
All I came to say
was that you
should stop with
the mischief
already!**

**Don't
call me
a brat!
Aren't you
the ones
who are
the brats
here!?**

**Geh...!
It's the
brat who
was
tagging
along
with that
old man!**

**Give
back Astra-
dama's
helmet and
all the stuff
you stole
from the
villagers!**

**Ah,
hey!!**

**Shuddap!
Run!
Run for
it!!**

**Wait
up-
Ah...!**

Ar-
are...
you
okay!/?

Ye-
yeah/
Thanks.

はっ!!

Wah...!!

?

...Yeah...
I'm...
different
from Slash
and the
others...

We-
well,
I'm...

You're
pretty nice,
aren't you?
You're totally
different
from those
kids!

What
a relief...
I didn't stain
the cape
I got from
Astra-
sama!

...Yeah...
Prob-
ably...

...Do
you...
know where
they are?/?

I wouldn't
say me, but something
precious to someone
precious to me was
stolen... So I want to
go get it back.

???

...Did you
have some-
thing stolen
by them too
like the
villagers?

Okay then, show me the way!!

So you know then!

I think... they're at the so-called "house" inside the forest. I only know the approximate location, though...

I... I'm... Funk...

I'm Noah!

If we're aiming for those silver eyes, then the time is now!!

Yeah... I did see, Lil' Bro!

...Hey... Big Bro... You saw, right?

That's because I'm... weak even though I'm a werewolf...

Slash and the others don't like me.

Ah, ah!... That was...

Say... Why were you guys fighting earlier?

I'm a wolf!!

(Can't tell the difference between secrets)

thought you were a Cu Sith.

Funk... I...

That means he's stronger and cooler than us Cu and Cait Sith, right/?

Heyyy, Funk's a werewolf!

Slash and the others, the only ones of the same generation as me, welcomed me in the beginning, but...

I ended up here after my parents went around to various villages as travelling apothecaries.

N... no, I'm...

Heyy, show us!!

Can you uproot this tree and swing it/?

Hey hey, can you bite through a Dragon's Nuts that's even harder than this rock/?

...I
can't do
that...

If you
want to
get along with
somebody,
you need to
break that
wall down
yourself!

Walls
only exist
because you
believe that
different
races are
different
living
beings!

Ah,
wait
Noah,
there's
a...

Well then,
let's go
quickly,
Funk!

Ah, but, I
wouldn't want
Funk to become
friends with bad kids,
so getting along
with them will have to
come after we've
gotten them to
reflect!

Ehh?

In
that
case,
I'll help
you
out
then!

NOAH!!

POND!!

Please
don't
say such
cuddling
words.

I
cannot
be by
your
side...

I just
want to be
with you.
Is that not
okay...?

Rose
doesn't
matter.

Are-

...Noah!

It was
such a
pain!
You were
really
heavy!

Sorry,
Funk...
You
saved me.
Thank
you.

Geez...
That pond's
really deep!
Just before
I managed
to tell you
that, you
fell in!

Wh-what
a relief...
You're okay!
You scared
me since you
weren't really
waking up!

Ah, ah, what
I meant by heavy
was that you soaked
up some water!
I wasn't talking
about you...

So
you two
really
sur-
vived...!

The
Dragonite
Brothers!

We
meet
again,
silver-
eyed
brat!

**YOU
TWO
ATE
DIRT!?**

That's
right!
Dirt is
the one
thing
we won't
tolerate
anymore!

Yeah!
We're not
going to
forgive
dirt a
second
time!

Obviously!
We ain't gonna
die till we've
stolen your
eyes to get an
extravagant
lifestyle!

Even if
it meant that
we had to eat
dirt during
that time!

Er-erm...
They're these
guys who have
some issues
so they
chased
me...

Basically,
they're guys
who you'll
"never be
able to
get along
with!!"

Noah...
who are
these
guys?
Just what
does he
mean by
"eye"...

You're a
foolish brat
for separating
from that
old man of
yours on
your own!

We planned
on waiting until
you arrived
somewhere with
no sign of life,
but now that it's
gotten this dark,
nobody's gonna
come for you
anyway.

I don't
get the
circum-
stances,
but I'm on
your side,
Noah.

Funk?

I see...
They're
not your
friends,
then.

We should be the ones to say that you're in the way...

Our business is only with silver-eyes over there.

Ah? What was that, you brat?

Get outta here! You're in the way!

Yo... you two! Aren't you embarrassed for bullying a little girl even though you're adults?!

I'm not little!!

Piss off!

YOU REALLY DID IT NOW!

OW...

FUNK!

Under-estimating adults will just get you hurt!

...Damn werewolf brat! Don't get full of yourself just because you have more power than the other sub-humans...

**STOP
TTTT!!!**

Stop-

*A were-
wolf's nails
should
fetch us
a pretty
penny!!*

We have
no interest
in anything
but those
silver eyes,
but...

**HEBL-
GEH!!**

**Big
Bro-**

**Yaayy!
Nice Kick,
Shoe!!**

*Ahahaha!!
You should
watch
above you!
Hey, Emo!
Pass!*

**WAAH!!
WH-WHAT
IN THE
WORLD!?**

*You damn
Dragonites!
Don't ruin
our garden
just because
you feel
like it!!*

Emo...

*Shoe-
gaze...
and...*

eyes...

*Lil' Bro!
Forget
the brats,
our goal
are those
silver...*

*Wh-
what the
these
guys...
scattered
around
and...*

Don't...

**TOUCH...
MY
FRIEND!!**

*...Hahahaha!
We totally
made you
freak out...
Too bad,
brat. You
missed!*

*You two...
Have you
ever eaten
the nuts
that grow
into these
trees?*

*Silver-
eyed brat!
When did
you get up
there!?*

*However,
I'm no longer
the me who
keeps getting
saved...
I can fight
too!!*

*...Thank
you,
Funk.*

HUUUUH...?

TASTE
THESE
TREE NUTS
WHICH
ARE EVEN
HARDER
THAN
ROCKS!

Adadada!!
Th-this
hardness...
They're
Dragon's
Nuts...!P
Ow-ommm!!

WE
BEAT
THE BAD
GUYS!!

We...
WE
DID
IT!!

Ah...
So...
sorry...

...Funk...
Even
though I
told you
not to
come...

Ah~

NO!!!

...I'll
be going
now! It's
impossible
for me to
talk to them
after all...

*If you
face them,
there's a
chance they'll
understand
you!*

**YOU
CAN'T
JUST
ASSUME
IT'S
IMPOS-
SIBLE!**

*You
can't just
run away
from being
afraid of
talking!*

...Oh
man.

But...

*I'm not
a chibi!
I'm Noah!!
You guys
are the
chibis here,
you know!!*

No
choice then.
Come with me.
And as a special
exception, that
chibi can come
too.

Even
though I
wanted to
keep it a
secret until
the very
end...

...Eh?

Tsk...
Fine!
I'll give
it back
after!

I want
you guys
to return
Astra-sama's
helmet though!

*YOU'RE
JUST
ANNOYING
ALL THE
TIME,
AREN'T
YOU...!?*

You
could just
tell us without
making a big
deal out of it,
you know.

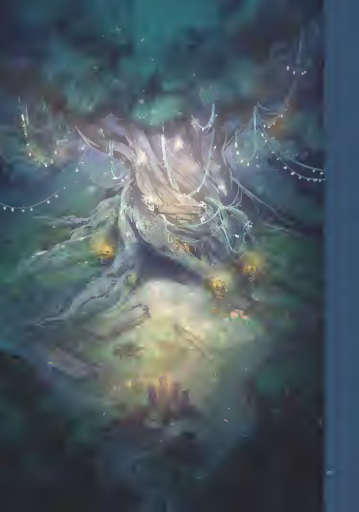

You'll
know
after you
come

Say,
Slash,
what
did you
mean by
"secret"...?

This
is our
"house."

Look...
We're
here.

32

What!/?
It was awful
because you
were ordinary
even though
you're a were-
wolf! Be
cooler!

If you
thought it
was awful,
you shouldn't
have said it
in the first
place!/
Food!/
Food!!

But
it's true!
How worried
do you
think I got
because of
that!/?

What
do you
mean by
"fool"...!/?

Wh...

What
the hell
are you
talking
about!/?

...Guys...

You can
really do
it when it
comes
to it!

Yeah,
yeah.

You
were
pretty
cool,
swinging
around
that
tree.

Eh...

...Well...
However,
because of
earlier, I have
a tiny bit
of a better
opinion of
you now.

You're totally
worthless though!
Thieves are no
different than
those Dragonites
earlier! Are you
guys fine with
that!/?

B-
but, we
planned
to give
them
back after, so-

Although
reconcili-
ations are a
good thing,
decorating
with stuff
you stole
from people
isn't good,
you know!/?

WAIT A
SECOND.

See
what I
mean!/?

I'M
GONNA
JOIN IN
TOO.

WHAT AN
INTERESTING
CONVER-
SATION...

Sayyy...
Those kids
settled their
quarrel
as kids.

Just as I
finally managed
to watch those
kids grow with
a pleasant
atmosphere,
it's been
ruined...

Don't you
think adults
should
talk it over
amongst
adults too...?

NOAH!!

Not good...
I fell asleep...
I need to
get back
soon...!

...Who...!?

Hello. I am the House Fairy.

That spirit of yours to decorate the house for the sake of your friends and that look of all of you righting your wrongs moved me. Therefore, I've attached the house plans, blueprints, and so on of a secret base I made almost 25 years ago.

Perfect a secret base that's filled with men's zeal, and offer it a fun life of refuge.

From,
House Fairy..

And like this, the boys apologized to the villagers and then immersed themselves in the creation of a base.

IT'S MY LIFE

His weapon is
an axe-sword.

It cuts,
it strikes,
and it protects.

It's useful in
various ways.

Oz Snowblind

age: 71

height: 142cm

race: white dwarf

An elderly knight of the minority White Dwarf
Tribe which resides on an island southwest,
far away from the Imperial Capital.

He was originally working away from home as a
mercenary in the Continent, but his talent was
recognized by the Commander back in those days,
so he enrolled in the Chivalric Order even though
he was of a different race, and focused on
climbing the ranks until he reached the top.

It's already been a long time since he migrated to
the Continent, but whenever he has a long vacation,
he's the type of grandpa who is devoted to his
family and will always return to his home island
to visit. He has eight grandchildren.

His hobby is studying cuisine.
He likes egg dishes.

His helmet is a gift from his
wife, which was traditional
handicraft from his hometown.

■ Regarding the White Dwarf Tribe

Having a small build yet strong, there are
lots of them who are gentle, and they've
had an amicable relationship with the
humans since long ago.

It's quite common for crafting to be a
hobby or occupation to them.

They're frank towards any and all races,
but they aren't that friendly with the Big Elf
Tribe that shares the same island as them.
